

Josh Rouse, Please, Please, Please Let Me Get V

(words by The Smiths)

Good times for a change
You see the luck I've had
Could make a good man bad now
So for once in my life
Let me get what I want
Lord knows it would be the first time

I haven't had a dream in a long time
You see the life I've had
Could make a good man bad
So please please please
Let me get what I want
Lord knows it would be the first time

So please please please
Let me, let me, let me, let me
Get what I want this time
Lord knows it would be the first time
