

Josh Rouse, Suburban Sweetheart

Got a gift, hesitate
Never make the same mistakes
If you could only see the person
If you could only reach the man yeah

We could move back to the suburbs
Rent a house, change our name
If you could only find a purpose
If you could only stay the same yeah

Sweetheart
Sweetheart
Sweetheart
I could help you open and unfurl

Shut up and listen
Shut up, you talk too much
You're my source for inspiration
You're my hopes for retire

I plan a trip, get away
Never make the same mistakes
If you could only be a person
If I could only be a man

Sweetheart
Sweetheart
Sweetheart
I could help you open and unfurl
And unfurl
And unfurl
