

Joss Stone, All The King's Horses

[Chorus 2x]

All the kings horses and all the kings men
They couldnt put our 2 hearts together again

We stand on a wall of happiness
We stand on a wall of love
We stand on a wall of security so high above
With his arms wrapped all around me
It was like a fairy tale
2 people so in love
Tell me how could this fail, how could it fail
The walls start shakin her love right now
Happiness is given away, security is fallin down
He fell when I fell, another is left to tell

[Chorus 2x]

Is all the kings horses and all the kings men
They couldnt put our 2 hearts together again

The walls started shakin yes it did her love right now
Happiness is given away security is tumbling down
He fell when I fell
Another is, another is left 2 tell

[Chorus 2x]

Is al the kings horses and all the kings men
They couldnt put our 2 hearts together again

(They couldnt do it baby)
Couldnt put our 2 hearts together again
They couldnt put our 2 hearts... Together again
