Joss Stone, Mr. Wankerman

Mr Mr

Mr do you hear me

Mr Wankerman

I get so tired

Of your shit yes I do

Mr Wankerman

You got no respect no no

You're selfish yes you are, yes you are, yes you are

I've been checking my clock

Wouldn't it be worth a lot

If you would just call me boy

(call me boy)

We've been talking a lot

Saying it'd be worth a shot

Saying that you want to fall

(you wanna fall)

Wouldn't it be nice if you would turn up

Maybe once or twice you'd pick the phone up

Shout it to my heart to know you wont be true

I keep hoping that I'll sober

Maybe realize it's over

Will I ever see a change in you

Mr wankerman I get so tired

Of your shit

Mr wankerman you got no respect no

Your selfish yes you are

(yes you are, yes you are, yes you are)

Ain't got enough mistakes

On my page for it all

You got me f**ked

You got me f**ked baby

There was a time when I cried

Now I don't care at all

Now i'm just bored

I'm so bored

See its the same of something stupid

Had a falling out with cupid

Told me fairytales of someone with a heart

My prince charming took a wrong turn

When it sings and never came over

Will you smile & Damp; laugh when you're alone

Will you smile baby

You're Mr Wankerman

I get so tired

Of your shit

Yes I do

Mr Wankerman

You got no respect no no

You're selfish yes you are

Mr Wankerman

Mr Mr yeah Mr Wankerman

Mr Wankerman

I get so tired

Of your shit

Mr wankerman

You got no respect no

You're selfish yes you are, yes you are, yes you are

Mr Wankerman

I'm gunna, I'm gunna let my band tell you something worth thinking about

Tell him for me, tell him for me now

Mr Mr

Mr Wankerman

Mr Wankerman

I'm so tired

We alltired

Every single one of us here

We're sick & amp; tired

We're sick & amp; tired of your shit

Mr Wankerman I've been so tired

Of your shit

Along with everything else baby

Mr Wankerman you got no respect for your lady and you're selfish

Yes you are, yes you are

Mr Wankerman

Yeah, yeah

Mr Wankerman

Yeah, yeah

Mr Wankerman

You a wankerman

I put up with your shit for such a long time

I'm not gunna take no more

No no no no no no

I'm tired baby

Can't you see that I'm tired love

I even had to, I had to write song about it

It's ridiculous yeah
To get you off my chest

Out of my head

Out of my life for good baby

Cause you're just a silly little wankerman

Not worth it

Silly little man yeah

Lalalalala

Moving on, moving on

Moving on, moving on

To someone

Taller cuter nicer

And all the way better

and everything, everything I need

You just so silly baby

Thank you for dusty love, she's really cute

And thank you for the lyrics love, they really helped me out

Thank you for growing me up

I lost a lot of trust with you

But i'm wiser for it, yes I am

Now you can go on boy

Dont turn around, just keep walking

Mr Wankerman

(Wanker)

Yes

Walking, walking baby

You got a couple issues in your head

Nothing but a no-good, dirty ugly asshole

(Maybe that was a little harsh)

Keep walking, walking

Keep on bouncing

yeah yeah

Step, step, stepping

Keep on stepping

Keep on moving on

One foot in front of the other

(Get the f**** out of my face bitch)

(That's a keeper)

Bitch
