

# Joss Stone, Security

A loss that would have thrown  
A hole through anybody's soul  
And you were only human after all  
So don't hold back the tears my dear  
Release them so your eyes can clear  
I know that you will rise again  
But you gotta let them fall  
I wish that I could snap my fingers  
Erase the past but no  
You cannot rewind reality  
Once the tape's unrolled

[Chorus:]

If your spirit's broken and you can't bear the pain  
I will help you put the pieces back  
A little more each day  
And if your heart is locked and you can't find the key  
Lay your head upon my shoulder  
I'll set you free  
I'll be your security

A moment of despair  
That forces you to say that life's unfair  
It makes you scared of what tomorrow may bring  
But don't go giving into fear  
Stop hiding all alone in there  
The show keeps going on and on  
But you'll miss the whole damn thing  
I wish I had a crystal ball to see what the future holds  
But we don't know how the story ends till it's all been told

[Chorus]

On any clock upon the wall  
The time is always now  
So baby kiss the past goodbye  
Don't let the future blow your mind  
Just sit back and chill  
Take things as they come  
You can't be afraid  
To live for today  
I will be with you each step of the way

[Chorus (2x)]
