

# Joss Stone, Snakes And Ladders

In the game of love  
It takes all you got  
Just to keep it moving up  
Don't you wanna reach the top  
But heaven seems such a crazy dream  
If your heart has room for doubt  
You're neither in you're neither out

99 1/2 it just won't do  
You gotta give me all of you  
Not asking too much of a heart that's true  
So tell me...

[Chorus]  
What's the name of the game that we are playing  
But whenever I think that we are winning  
Then you roll the dice take a slide  
Right back to the one from 99

Is it gonna go on like this forever  
Are we gonna to take that last step together  
Going round and round and up and down  
Feels just like snakes and ladders

Baby don't it feel like a carousel  
Where all the world is rushing by  
But when it stops you realize  
That you're right back where you started at  
I need a little more than that  
It time for us to face the facts

Whether to be or not to be  
That is the question so it seems  
We're going nowhere in between  
So tell me...

[Chorus]

Don't wanna play this game anymore  
I gotta know right now for sure  
What am I giving my heart for  
Baby I need a little more  
Don't leave me hanging on a string  
Now that I gave you everything

Not when I play to win  
Snakes and ladders

[Chorus (2x)]

(Lalalalalala  
Lalalalalalalalala)
