

Joss Stone, Some Kind Of Wonderful

I don't need a whole lotta money
I don't need a big, fine car
I got everything that a girl could want
I got more than I could ask for
I don't have to run around
I don't have to stay out all night
Cause I got a sweet, sweet lovin man
And he knows just how to treat me right
See, my baby, he's alright
See, my baby, we're so tight

Don't you know he is some kind of wonderful
Yes, he is
He's some kind of wonderful
Don't you know he is some kind of wonderful

Let me tell you one more thing
Now, when he holds me in his arms
He sets my soul on fire
And, ooh, when my baby kisses me,
My heart becomes filled with desire
When he wraps his loving arms around me
He almost drives me out of my mind
I get these funny little feelings inside of me
Chills run up and down my spine

My baby, he's alright
Me and my baby we're so tight

Don't you know he is some kind of wonderful
Yes he is
Some kinda wonderful
He is some kind of wonderful

Now, hold on, let me know just one more thing
Is there anyone out there with a sweet loving man like mine?
There's got to be somebody with a sweet, loving man like mine
Now, tell me ladies
Can I get a witness
Can I get a witness up in here, Ladies?
Can I get a witness
Can I get a witness
Can I get a witness
Do you know what I'm talkin about, Ladies, are you listening?
Can I get a witness

Wonderful
Some kinda wonderful
Don't you know he is
Some kind of wonderful
Don't you know he is
Some kind of wonderful
Don't you know he is
Some kind of wonderful
(He's some kind of wonderful,
Yes, he is)
Don't you know he is
Some kind of wonderful
Don't you know he is
Some kind of wonderful
Don't you know he is
Some kind of wonderful
Don't you know he is
Some kind of wonderful

Don't you know he is
Some kind of wonderful
Don't you know he's some kind of wonderful

Don't you know he is
I'm talkin bout my baby, yeah
