

# Joss Stone, What Are We Gonna Do

Artist/Song name- Joss Stone- Tell Me What We Gonna Do lyrics

You don't have to make your mind up  
I just wanna take my time with you  
If that's alright it's alright  
Oh forgive me if I get too shy but  
Maybe you're the reason why, love  
I'm feelin' butterflies  
Somethin' about the look in your eyes  
It just makes me feel so right

Well you're my boy  
You're my joy  
You're the dream  
I'm for you  
I adore your everything (that I need)  
I love how you love me  
If I'm made for you  
You're made for me  
It's too good to be  
So tell me what we're gonna do now  
Tell me what we're gonna do now

Funny how my world keeps spinning  
Sometimes you can be so silly  
You know just how to make me laugh  
You're skin is so lovely  
You move me when you touch me  
I know that you got my back  
I feel so safe when you hold me  
It's already like you know me

Well you're my boy  
You're my joy  
You're the dream  
I'm for you  
I adore your everything (that I need)  
I love how you love me  
If I'm made for you  
You're made for me  
It's too good to be  
So tell me what we're gonna do now

Oh right now  
See baby I love how you make me smile  
Don't leave please stay awhile  
Let's make this happen  
I don't care how

Right now lets stay in the present  
Can't worry bout tomorrow cause today is a blessing  
The world in a state of aggression  
I find calm in you  
I see my mom in you  
It's like a feelin' in a niggas stomach  
when you want it so bad  
If you keep keepin' it fresh  
It ain't gonna go bad  
I been through the valley of love  
Rolled the shores of Cali  
Just to find peace of mind  
Lookin' to the sky

Asking for at least a sign  
Beautiful you came at such a decent time  
When we combine it's like good food and wine  
Flavorful yet refined  
you remind me of the divine  
So easy  
Love can be lost and then found, like Stevie  
I just love havin' you around  
You wearin' a gown I'm wearin' a crown  
Pound for pound  
We the freshest couple in town

Well you're my boy  
You're my joy  
You're my dream  
I'm for you  
I adore your everything (that I need)  
I love how you love me  
If I'm made for you  
You're made for me  
It's too good to be  
Tell me what we're gonna do  
Tell me what we're gonna do now
