

# Journey, If He Should Break Your Heart

(Perry/Cain/Schon)

Please be wrong  
Please don't tell me it's really you  
Tell me eyes... tell my heart what I'm goin' through  
I believed, I believed I was over you

[Chorus:]  
If he should break your heart  
I'll always know where you are  
If you should fall... apart  
I'll be there, I'll be around  
If he should break... your heart  
I'll be there

Is this right  
I don't care I'm alone with you  
Here we are, once again you've got someone new  
Lonely hands, please don't do what you wanna do

[Chorus]  
If he should break... your heart  
From my soul I say... good-bye yesterday  
One more night alone, without the touch... of you  
Then I start to break... is it my mistake  
Tell me am I wrong... for holdin' on... to you

[Chorus]  
If he should break you heart, I'll be there  
If he should break your, if he should break your  
If he should break your heart  
I'll be there, I'll be around
