

# Journey, Positive Touch

(Perry/Cain)

Emergency breakthrough  
There's no way to reach you  
There's somebody else I'll turn to

[Chorus:]  
She (she's) has got the positive touch (touch)  
She's bringing love back to me, yeah, back to me. I said--  
She, (she's) to me means so much (much)  
She's saving it all for me, yeah

I'm missin' your touch, you're wondering where I've been  
No, it's never enough, you're pushing me to the end  
You won't break his heart, no...  
She's not like you are, no...  
Girl, I'm lettin' your love, go...

[Chorus]  
You won't break his heart, no...  
She's not like you are, no...  
Girl, I'm lettin' your love, go...  
Baby...oh bye-bye baby  
Girl, now that you're here

In my arms, love is here to stay  
Eyes of blue, good-bye yesterday  
Love is here to stay  
Eyes of blue, good-bye yesterday
