

Joy Electric, Most Terrible Archer

Separate your chief anxieties
Cut the cord, but you won't
Excommunicate from our society
Are you bold? You are not

CHORUS

Oh, no, the most terrible, terrible
Oh, no, the most terrible, terrible
Oh, no, the most terrible, terrible
Oh, no, the most terrible, terrible archer
Archer

You among the league of militants
How little you have learned
Tried, but failed to be one of the innocents
Little left of yourself

CHORUS

Little left of myself
Little right of yourself
Little left of myself
Little right of yourself

CHORUS
