

# Joy Enriquez, Just When I Needed You

Verse :1

Life was so sure, love was so new  
And I was so lost inside of me  
But somehow you'd be right next to me  
Just when I needed you

Verse 2 :

I had my dreams and you lived them too  
And sometimes it got so hard to do  
But you's always be right there for me  
Just when I needed you

Bridge :

So I know what it's like  
To have evrerything you want  
Snd I know what it's like to lose it all  
But I don't dare think of what my life  
Would be without you

Verse 3 :

Now I'm so sure  
And love still feels now  
And I'm no longer lost inside of me  
And guess who I find, right by my side  
Just when I needed you  
Just when I needed.... you ....
