

# Joy Williams, We

She's independent and beautiful  
Wish I could be like her  
She's got the girls and the boys  
So wrapped around her finger  
Rumor is she's some kind of dream  
Nobody knows she cries herself to sleep  
We are not that different from each other  
We just want somebody to discover  
Who we really are when we drop our guard  
That love has gotta start with you and me  
We  
He's on the top of the social scene  
He's stylish cool and clever  
He's got a cool attitude that screams  
He's got it all together  
You'd think he's addicted to himself  
But he wishes he could be someone else  
We are not that different from each other  
We just want somebody to discover  
Who we really are when we drop our guard  
That love has gotta start with you and me  
We've gotta come together  
Oh You know you never ever have to be alone  
You've got a hand to hold  
Yeah Lalala Oh Oh Oh  
We are not that different from each other  
We just want somebody to discover  
Who we really are when we drop our guard  
That love has gotta start with you and me  
We Oh Oh And We And We You and me We  
We've gotta come together
