

Joyner Lucas, ISIS (ADHD) ft. Logic

one time for tchem prayin' on mu downfall
two times for the homies in the chow hall
three times for the hoes on the internet
shittin' on niggas when they really should get out more

4 times for the days I would hold back
5 times for the bitches who ain't cal back
6 times for the kids like me who
got adhd just to ...

kidnap a nigga like ISIS
turn a whole world to a crisis
walk around the city when a ice pick
I been paranoid
usually I ain;t like this
ain;t no te llin' how crazy I might get
beat the police with a nightstick

any my whole life
I bben lifeless
now I am so fly
I;m a mother* flight risk
fuck a couple hoes 'til I pass out
niggas throwin' stones at my glass house
I remember sleepin' on my dad's couch

now I got the Bentley
and it's blacked out
family lookin' at me like a cash cow
everybody dissin, just to have clout
though you had a chance
now you asked out
nigga, I am the mother* man
where you at now?
fuck it
I;ma hit 'em ;til they jumpin

i ain;t trippin
tjhis nothing
I beel livin' in dungeon
I done held a couple grudges
what the hell I got to duck to meet the devil?
I am his cousin
I ain't settling for nothing
got a metal in the truck

I keep a semi when I am bussin
niggas duckin
even stevie Wonder couldn't see
it comin'
ain't judgin'
I just want the money
I don't need a budget
I been hungry
I ain;t got no weapon
but I got the munchies, nigga
