JOYRIDE, Joyride

But don't you fight with us
We've got to make some trouble
That sing kick ass
You are so confuse
But let me stay
Only .. wheels
Shat up and let us stay

Joyride
Run through the night
Joyride
And won't give up without a fight
Joyride
Run through the night
Joyride
And won't give up without a fight

I don't got fucking keys But you have to be cool First of all it's clear The ... is cool

Joyride
Run through the night
Joyride
And won't give up without a fight
Joyride
Run through the night
Joyride
And won't give up without a fight

So many you can do You want to glass of whiskey ... maybe two

Let's do it Tank is full

Joyride
Run through the night
Joyride
And won't give up without a fight
Joyride
Run through the night
Joyride
And won't give up without a fight
