

# Juan Carlos Cano, Falling

Let me out  
Walk me out of here  
This is not where I want to be  
This is wrong  
And it's bringing me down  
I am holding on  
And I am falling apart

Give me something I can feel  
Give me everything that's real  
This is not, this ain't real love  
Baby things don't fall in line  
You don't have to try so hard  
This is not, this ain't real love

I am sorry I'm not the one  
You've always wanted me to be  
I've never meant to let you down  
I guess I am not the fighting kind  
Stop pretending you're all right  
If your world is coming down  
Speak up  
Want you speak up

Nawet kiedy jestem tu,  
A myślami z tobą już  
Do końca, zostanę  
Nic nie może mnie złamać  
Ja jestem jak skała  
Nawet teraz jestem znowu tu,  
A myślami z tobą już!
