Juan Luis Guerra, Have You Seen Her

One month ago today I was happy as a lark
But now I go for walks to the movies - maybe to the park
I have a seat on the same old bench
To watch the children play (huh)
You know, tomorrow is their future
But to me, just another day

They all gather 'round me, they seem to know my name We laugh, tell a few jokes, but it still doesn't ease my pain I know I can't hide from a memory, 'though day after day I've tried I keep sayin' she'll be back, but today again I've lied

Oh, I see her face everywhere I go On the street, and even at the picture show Have you seen her? Tell me, have you seen her?

Oh, I hear her voice as the cold winds blow In the sweet music on my radio Have you seen her? Tell me, have you seen her?

Why, oh, why Did she have to leave and go away

Oh-oh-oh, I've been use to havin' someone to lean on And I'm lost, baby, I'm lost (oh)

Have you seen her? Tell me, have you seen her? Have you seen her? Tell me, have you seen her?

Oh, she left her kiss upon my lips But left that break within my heart Have you seen her? Tell me, have you seen her?

Oh, I see her hand reaching out to me Only she can set me free Have you seen her? Tell me, have you seen her?

Why, oh, why Did she have to leave and go away

Oh-oh-oh, I've been use to havin' someone to lean on And I'm lost, baby, I'm lost (oh)

Have you seen her? Tell me, have you seen her?

As another day comes to an end I'm lookin' for a letter or somethin' Anything that she would send With all the people I know I'm still a lonely man You know, it's funny I thought I had her in the palm of my hand

Have you seen her Tell me, have you seen her (tell me, have you seen her?)
