

Judd Wynonna, Heaven Help My Heart

Words and Music by David Tyson, Tina Arena and Dean McTaggart

Two smilin' faces, that's how it used to be
What once was forever is now a faded memory
The perfect illusion

For a while I guess it was
Without explanation
The bloom fell off the rose

(chorus)

Heaven help my heart
'Cause it's a lot like me
I'm wondering when this all will end
And I'll find the love I need
I know it's out there somewhere
Somehow I still believe

I'm asking please
Heaven help my heart
This world can get crazy
These are troubled times
I'd walk through the fire
If love is what I'd find
It's out of my hands now
So I put my faith in you
And say a little prayer
And hope that it comes true
(repeat chorus)
