

# Jude, Bluebird

Lullaby of bird land that's what I always hear when you sigh  
Never in my wordland could there be words to reveal in a phrase how I feel  
But have you ever seen two turtledoves bill and coo when they love  
That's the kind of magic music will make with our lips when we kiss  
And there's a weepy old willow, well he knows, he really knows how to cry  
And that's how I'll cry on my pillow if you should tell me a willing goodbye

Lullaby of bird land whisper low  
One more kiss and then I'll go  
Flying off to wordland

High in the sky up above  
Just because we're in love

(scats)

Lullaby of bird land whisper low  
One more kiss and then I'll go  
Flying off to wordland  
High in the sky up above  
Just because we're in love
