

Judie Tzuke, We'll Go Dreaming

Walk with me, the future's at hand
Here with us, here where we stand
We both know the power of pain
We get back up and start it again
With new hope, no place for tears
Leave behind those frozen years
Come with me and we'll go dreaming
Come with me and dream

No words, no talk, we'll go dreaming
No pain, no hurt, we'll go dreaming

You don't know how it can be
Searching out dignity
Nothing can be as savage as love
One taste is never enough
With new hope, no place for tears
Catch my hand and come with me
Close your eyes and dream

No words, no talk, we'll go dreaming
No pain, no hurt, we'll go dreaming
