Judy Garland, Better Luck Next Time

Spoken by Mike, the bartender:

For ev'ry rose that withers and dies Another blooms in it's stead. A new love waits to open its eyes After the old love is dead.

Sung by Hannah:

That sounds alright in a careless rhyme But there's seldom a second time

Better luck next time That could never be Because there ain't gonna be no next time for me - no siree

Made up my mind To make another start I've made my mind up but I can't make up my heart

I'd like a new lucky day That would be nice But this comes just once in a lifetime not twice

So don't say better luck next time That can never be Because there ain't gonna be no next time for me.
