Jughead, Halfway Home to Elvis

Got myself a cadillac Dyed my hair from grey to black Left behind yesterday Destiny's a day away

Under memphis skies Did you notice I'm halfway home to elvis In my blue suede shoes I'm the big man, I'm halfway home Halfway home to Graceland

Don't be cruel, see my sneer From my pelvis to my ears T.C.B., seize the throne Can't believe I'm going home

Under memphis skies
Did you notice
I'm halfway home to elvis
In my blue suede shoes
I'm the big man, I'm halfway home
Halfway home to Graceland

And with the kiss of my ring You are in the big time And with the wave of my hand You're in for a bad time

Under memphis skies
Did you notice
I'm halfway home to elvis
In my blue suede shoes
I'm the big man, I'm halfway home
Halfway home to Graceland

And with the wave of my hand...
To graceland
