Jughead, Paging Willie Mays

You scream no fear, medallions on your ears Are you the deal, with all your humble pride

Under the lights, it's only a game - october skies Those were the days... paging willie mays

Gone is the class You spit out broken glass Are you for real Strawberry's in the field?

Under the lights, it's only a game...
Under the lights, it's only a game...
Under the lights... paging willie mays
October skies... paging willie mays
Those were the days... paging willie mays
