

# Juice Newton, Break It To Me Gently

Break it to me gently, let me down that easy way  
Make me feel you still love me if it's just, just for one more day  
Break it to me gently so my tears, my tears won't fall too fast  
If you must go, then go slowly, let me love you 'till then

BRIDGE&#58;

The love we've shared oh so long, it's a tender part of me  
If you must take your love away, take it gradually

And break it to me gently, give me time, oh give me a little time to ease the pain  
If you must go, then go slowly, 'cause I'll never love again

BRIDGE (LEAD ONLY FOR FIRST TWO LINES)

If you must take your love away, take it gradually

KEY CHANGE

And break it to me gently  
Give me time, oh give me a little time to ease the pain  
Love me just a little longer, 'cause I'll never, never love again  
'Cause I'll never, no never love again...ooh
