

# Juice Newton, The Sweetest Thing I've Ever Known

When I see you in the morning  
With that old sleep still in your eyes  
I remember all the laughter  
And the tears we shared last night  
And as we lie here  
Just two shadows  
In the light before the dawn  
The sweetest thing  
I've ever known  
Is lovin' you

And I have never been afraid of losin'  
And I have never wanted love to be a chain  
I only know that when I'm with you  
You're my sunshine, you're my rain  
The sweetest thing  
I've ever known  
Is lovin' you

Now you and I  
We're not children  
We have both been loved before  
We have given and we have taken  
Many rides on troubled shores  
But all the heartaches and temptations  
Only made me love you more  
The sweetest thing  
I've ever know  
Is lovin' you

And I have never been afraid of losin'  
And I have never wanted love to be a chain  
I only know that when I'm with you  
You're my sunshine, you're my rain  
The sweetest thing  
I've ever known  
Is lovin' you

The sweetest thing  
I've ever known  
Is loving yooooooooo
