

Julee Cruise, Everybody Knows

Everone knows I don't like to (x3)
Everone knows I don't like to (I don't like to) (x3)
Answer the phone

Everone knows I don't want to (x3)
Everone knows I don't want to (I don't want to) (x1)
Answer the door

Without you by my side I don't exist
I run and hide because I miss your tender kiss
And I wish it was you

Everone knows I don't believe in (x3)
Everone knows I don't believe in (I don't believe in love) (x3)
Promises made

Without you by my side I don't exist
I run and hide because I miss your tender kiss
And though you're worse and I wish it was you

Everybody knows I want you (x2)
Calling the phone
Knocking at my door
Always by my side
Promising your love
Dancing with my soul
