

# Julee Cruise, Everybody Knows

Everone knows I don't like to (x3)  
Everone knows I don't like to (I don't like to) (x3)  
Answer the phone

Everone knows I don't want to (x3)  
Everone knows I don't want to (I don't want to) (x1)  
Answer the door

Without you by my side I don't exist  
I run and hide because I miss your tender kiss  
And I wish it was you

Everone knows I don't believe in (x3)  
Everone knows I don't believe in (I don't believe in love) (x3)  
Promises made

Without you by my side I don't exist  
I run and hide because I miss your tender kiss  
And though you're worse and I wish it was you

Everybody knows I want you (x2)  
Calling the phone  
Knocking at my door  
Always by my side  
Promising your love  
Dancing with my soul
