

Julia Fordham, Magic

written by Julia Fordham

You put the smile back
on my face, thank you
You bring me hope
that there's a chance
That I might love again
You awakened my weary faith
thank you baby
Oh, my little bit of magic

You are my little bit of magic
You are my little bit of light
You are my little bit of magic
and I wish you were here tonight

You're filling up my empty
heart, thank you
You brought me hope to hang on to
just when I thought that I was done
Life was cold and life was hard
thank you baby
Oh, my little bit of magic

You are my little bit of magic
You are my little bit of light
You are my little bit of magic
and I wish you were here tonight

I held my hand out and you took it
Take me where you will
I'm not sure if you knew it
The way you made me feel
I've got to thank you for it
My little bit of magic
Yeah yeah little bit of magic

You are my little bit of magic
You are my little bit of light
You are my little bit of magic
and I wish you were here
I wish you were here
I wish you were here tonight
