

Julia Jacklin, Love, Try Not To Let Go

love, love is all that I want now
love, love is all that I want now
oh love, oh love
time, time to figure some things out
give me time, time to figure some things out
oh time, oh time

the echo of my hometown
the things I never said
consumes the space between me
and everyone I left
try not to let go
try not to let go
try not to let go
try not to let go

love, love is all that I want now
can I give my love to everyone somehow
oh love, oh love

the echo of that party
the night I lost my voice
the silence that surrounds it no longer feels like a choice
I need you to believe me when I say I find it hard
to keep myself from floating away
I will, try not to let go
try not to let go
try not to let go
try not to let go

oh love
