Julie Andrews, I Could Have Danced All Night

Chances are 'cause I wear a silly grin
The moment you come into view
Chances are you think that I'm in love with you
Just because my composure sort of slips
The moment that your lips meet mine
Chances are you think my heart's your Valentine
BRIDGE
In the magic of moonlight when I sigh, "Hold me close, dears
Chances are you believe the stars that fill the skies are in my eves

In the magic of moonlight when I sigh, " Hold me close, dear" Chances are you believe the stars that fill the skies are in my eyes Guess you feel you'll always be the one and only one for me And if you think you could Well, chances are your chances are awfully good

Chances are you believe the stars that fill the skies are in my eyes Guess you feel you'll always be the one and only one for me And if you think you could Well, chances are your chances are awfully good The chances are your chances are awfully good
