Julie Andrews, I Have Confidence

What will this day be like? I wonder.
What will my future be? I wonder.
It could be so exciting to be out in the world, to be free
My heart should be wildly rejoicing
Oh, what's the matter with me?

I've always longed for adventure To do the things I've never dared And here I'm facing adventure Then why am I so scared

A captain with seven children What's so fearsome about that?

Oh, I must stop these doubts, all these worries If I don't I just know I'll turn back I must dream of the things I am seeking I am seeking the courage I lack

The courage to serve them with reliance Face my mistakes without defiance Show them I'm worthy And while I show them I'll show me

So, let them bring on all their problems I'll do better than my best I have confidence they'll put me to the test But I'll make them see I have confidence in me

Somehow I will impress them I will be firm but kind And all those children (Heaven bless them!) They will look up to me

And mind me with each step I am more certain Everything will turn out fine I have confidence the world can all be mine They'll have to agree I have confidence in me

I have confidence in sunshine I have confidence in rain I have confidence that spring will come again Besides which you see I have confidence in me

Strength doesn't lie in numbers Strength doesn't lie in wealth Strength lies in nights of peaceful slumbers When you wake up -- Wake Up!

It tells me all I trust I lead my heart to All I trust becomes my own I have confidence in confidence alone (Oh help!)

I have confidence in confidence alone Besides which you see I have confidence in me!
