

Julie Brown, Inside Every Girl

Inside every girl
Oh

Can't imagine what you're thinking
You give me gifts from every store
Now you're looking so confused
You say, "What are girls looking for";

You think it's the money you make
But honey, it's not the money that makes it
Take a closer look
And you'll see

Oh
(Inside every girl)
You know she feels it
(Inside every girl)
You know she needs you
(Inside every girl)
She's looking for magic
Could you be the one

Trying hard to live without it
Now I find I can't deny
How much I need to feel that feeling
How much I need that look in your eye

I don't need no diamond ring
It's time to grow up and give me the real thing
Baby, take a chance
You know what I mean

Oh
(Inside every girl)
You know she feels it
(Inside every girl)
You know she needs you
(Inside every girl)
She's looking for magic
Could you be the one
(Inside every girl)
You know she feels it
(Inside every girl)
You know she needs you
(Inside every girl)
She's looking for

Yeah, yeah, yeah

Oh
(Inside every girl)
Can't you see that
(Inside every girl)
Don't you know that
(Inside every girl)
She's looking for magic
Could you be the one
(Inside every girl)
Can't you see that
(Inside every girl)
Don't you feel that
(Inside every girl)
She's looking for
Could you be the one

(Inside every girl
Inside every girl)
Inside every girl
Inside every girl
Inside every girl
Inside every girl.
