

Julie Doiron, Dance Me

Hold me close to you
Dance with me now
Feel me smile, feel my smile
Hold me close to you

I will try to love more
Often
I will learn
I do love the things
Around me
I love you

Take me with you, dear.
If I say please, will you, dear?
Hold me close tonight
Dance me slow, dance me right

I will try to love more
Often
I will learn
I do love the things
Around me
I love you
