

# Julie London, Diamonds Are A Girl's Best Friend

The French are glad to die for love  
They delight in fighting duels  
But I prefer a man who lives  
And gives expensive jewels  
A kiss on the hand may be quite continental  
But diamonds are a girl's best friend.  
A kiss may be grand but it won't pay the rental  
On your humble flat  
Or help you at the automat.  
Men grow cold as girls grow old  
And we all lose our charms in the end.  
But square-cut or pear-shaped  
Those rocks don't lose their shape.  
Diamonds are a girl's best friend.  
There may come a time when a lass needs a lawyer  
But diamonds are a girl's best friend.  
There may come a time when a hard-boiled employer  
Thinks you're awful nice  
But get that ice or else no dice.  
He's your guy when stocks are high  
But beware when they start to descend.  
It's then that those louses  
Go back to their spouses.  
Diamonds are a girl's best friend.
