

Julie London, The More I See You

The more I see you
The more I want you
Somehow this feeling
Just grows and grows.
With every sigh, I become mad about you
More lost without you
And so it goes.
Can you imagine
How much I'll love you
The more I'll see you
As years go by
I know the only one for me
Can only be you.
My arms won't free you
My heart won't try.
My arms won't free you
My heart won't try.
