

Julie Reeves, All Or Nothing

(Michael Garvin/Michael Salacuse/Steve Siler)

You swear to me that I'm the one
But you need time to have your fun
That boat won't float
How can you say that love is real
When you still want to play the field
That dog won't hunt

You can't have it halfway hon'
It's all or nothing
If you want my loving
You gotta concentrate, dedicate, show it's love you wanna make
That's the only way I'll fall
Cause it's all or nothing

I need a man who's man enough to stand up in the face of love
Commit to it
The kind of man who's not afraid to give my heart an even trade
For him I'll wait

Can you give me what it takes
It's all or nothin' if you want my lovin'
You gotta concentrate, dedicate, show it's love you wanna make
That's the only way I'll fall 'cause it's all or nothin'

No more riding the fence
No more playing it safe
No more waiting till someday
Get into this love or baby get out of the way
It's all or nothing
