

# Julie Roberts, I Can't Get Over You

I've been tryin for a long, long time  
But no matter what I do  
When I turn to leave, my heart stays behind  
Cause I can't get over you  
I keep movin on, runnin hard and fast  
But everywhere taht I run to  
I'm just standin still, livin in the past  
Cause I can't get over you

If memories were like the leaves that fall  
The wind would have carried them from my mind  
The seasons pass, but they never change  
A broken heart can't keep time

If memories were like the leaves that fall  
The wind would have carried them from my mind  
The seasons pass, but they never change  
A broken heart can't keep time

While I watched as colors faded in the sun  
The color of my love stays true  
I've been lettin go now, but I'm not holding on

I just can't get over you  
I just can't get over you
