

Julie Ruin, Radical Or Pro-Parental

radical or pro-parental
ditch the dog for no potential
habit forming so judgemental
radical or pro-parental

she says it's for my own good
smashes my face into the carhood
and afterall it was my own fault
push came to shove because it really should

radical or pro-parental
what's your sign or so judgemental
habit forming non-potential
radical or pro-parental

who is real and who is false now
pick the scabs to see whose boss now
and when they kill each other off now
we'll find a cure for their first cough now

radical or pro-parental?
radical or pro-parental?
radical or pro-parental?
radical or pro-parental?

tell me what is the price.
