

Julien-K, Waking Up

Waking up
Breaking out
This is what it's like to be free

Rip it up
Tear it down
This is what it means to be free

Jet sounds, a distant roar behind you
As you try to clear your head
You start to look and answers find you
The real purpose lies ahead

Waking up
Breaking out
This is what it's like to be free

Rip it up
Tear it down
This is what it means to be free

Waking up
Breaking out
This is what it's like to be free

Rip it up
Tear it down
This is what it means to be free

One step to calm the storm inside you
Unlock the secrets in your head
Not another day, no more confusion
No more living like the dead

It seems it's just out of sight
The ones with answers always get their way
They think they should know
They're coming for them

Waking up
Breaking out
This is what it's like to be free

Rip it up
Tear it down
This is what it means to be free

Waking up
Breaking out
This is what it's like to be free

Rip it up
Tear it down
This is what it means to be free

Waking up
Breaking out
This is what it's like to be free

Rip it up
Tear it down
This is what it means to be free
