Julien-K, Waking Up

Waking up Breaking out This is what it's like to be free

Rip it up Tear it down This is what it means to be free

Jet sounds, a distant roar behind you As you try to clear your head You start to look and answers find you The real purpose lies ahead

Waking up Breaking out This is what it's like to be free

Rip it up Tear it down This is what it means to be free

Waking up Breaking out This is what it's like to be free

Rip it up Tear it down This is what it means to be free

One step to calm the storm inside you Unlock the secrets in your head Not another day, no more confusion No more living like the dead

It seems it's just out of sight
The ones with answers always get their way
They think they should know
They're coming for them

Waking up Breaking out This is what it's like to be free

Rip it up Tear it down This is what it means to be free

Waking up
Breaking out
This is what it's like to be free

Rip it up Tear it down This is what it means to be free

Waking up Breaking out This is what it's like to be free

Rip it up Tear it down This is what it means to be free
