

Juliette And The Licks, 20 Year Old Lover

It's alright
Can I see you later tonight
You're so fine
Younger than the others
This is not right
'Cause you know I'm restless to you
How you get me all confused
You nearly pull me under
You're my twenty year old lover.

And I can hear what they're sayin'
When I'm talkin' to you
Feelin' Alright

I don't know what I'm feelin'
But I know it's somethin' I dig
Feelin' Alright
I don't know what I'm feelin'
Just a little more than I should.

Now some boys got so little to say but a lot on thier minds
So maybe I c-c-come a little late but you're right on time
Oh yeah. I need to let you know
Don't be so quick on the draw
You gotta warm me up before you rub me raw-a-a-aw.

And I can hear what they're sayin'
When I'm talkin' to you
Feelin' Alright

I don't know what I'm feelin'
But I know it's something I dig
Feelin Alright
I don't know what I'm feelin'
Just a little more than I should
Feelin' Alright
I don't know what I'm feelin'
For my twenty year old lover
Feelin' Alright
I don't know. I don't know

Hey let me talk to you for a second
I was wonderin' maybe I could pick you up at your mother's house
And you could gimme a little kiss before she kicks me out
I got so many questions for like
What were you like in high school
Did you make all them girls nervous too
I just wanna do so many things to you
You know like, maybe sit in your bedroom
And you could tell me about stories when you were younger
And I don't know show me your record collection
Put your hand on my leg
I don't know maybe you're sick
It's not right...ow-ow!!!!

I don't know what I'm feelin'
But I know it's something I dig
Feelin' Alright
I don't know what I'm feelin'
Just a little more than I should
Feelin' Alright
I don't know what I'm feelin'
For my twenty year old lover
Feelin' Alright

I don't know. I don't know
I don't know. I don't know. I don't know, I don't know
I don't know, I don't know, I don't know, I don't know, I don't know
But I'm feelin' alright
Feelin' Alright
