

Julio Iglesias, Isla En El Sol

Oh Island in the sun
Willed to me by my father's hand
All my days I will sing in praise
Of your forest water, your shining sand.
Si t supieras que yo sin ti
ya no he vuelto a ser como ayer,
que necesito para vivir
que necesites de mi querer.

Oh Island in the sun
Willed to me by my father's hand
All my days I will sing in praise
Of your forest water, your shining sand.
Si t supieras como yo s
que no puedo vivir sin ti
que nno he vuelto a saber querer
desde aquel da en que te perd.

Oh Island in the sun
Willed to me by my father's hand
All my days I will sing in praise
Of your forest water, your shining sand.
Quiero vivir cerca del mar
quiero estar solo junto a ti
donde el amor ya no tenga edad
donde el amor ya no tenga fin.

Oh Island in the sun
Willed to me by my father's hand
All my days I will sing in praise
Of your forest water, your shining sand
