

Juliusz Kamil, Give Me A Chance 2 Love U

I know what I did wrong
You shouldn't've been
Where you don't belong
You're in my heart
You're in my soul
Will this bliss-ever come

Give me a chance to love you
Give me a chance to hold you
Give me a chance to want you
Like I did that nite
Like I did that nite

Separate ways are still apart
Rainy days won't wash away that nite
No more tears
No more pain
No more chance to start
Again,again in this life

Give me a chance to love you
Give me a chance to hold you
Give me a chance to want you
Like I did that nite
Like I did that nite
This nite
This nite
This nite

Give me a chance to love you
Give me a chance to hold you
Give me a chance to want you
Like I did that nite
Like I did that nite
