Jump In The Saddle, Curly Shuffle

When me and my friends go out on the town We can't sit still. We can't sit down We don't like to fight and we don't like to scuffle Dancin' all night doin' the Curly Shuffle

Hey, Moe. Hey, Moe.
Well, a nyuk-nyuk-nyuk-nyuk.
La-le-li-li
woo-woo-woo
Well, we never miss a chance
We get up and dance and do the Curly Shuffle

Well, me and my friends love Larry and Moe We love Curly's brother Shemp and his fat clone Joe It's such a delight to boogie and hustle Dancin' all night doin' the Curly Shuffle

Hey, Moe. Hey, Moe. Well, a nyuk-nyuk-nyuk. We-be-be-be-be Oh, a wise guy Well, we never miss a chance We get up and dance and do the Curly Shuffle

Well, me and my friends-we all love to see Comedy classics on late night TV Those knuckleheads always get in a scuffle A push and a shove doin' the Curly Shuffle

Hey, Moe. Hey, Moe. Well, a nyuk-nyuk-nyuk. Look at the grouse, Look at the grouse Ruff-Ruff-Ruff Well, we never miss a chance We get up and dance and do the Curly Shuffle
