

Junior Wells, Little By Little

Ohhh, ohhh, oh.

Baby, out all night until the break of day,
Snap me up at everything I say.
Little by little, I'm losing you. That I can see.
Bit by bit, your love is slipping away from me.

What you're doing, babe, you know it ain't right.
I wonder what you're doing that, uh, takes all night.
Little by little, I'm losing you. That I can see.
Bit by bit, your love slips away from me.

You get so disgusted when I try to kiss you.
I guess I don't thrill you like I used to do.
Little by little, I'm losing you. That I can see.
Bit by bit, your love slips away from me.

(guitar solo)

Bit by bit, your love is slipping away from me.

I started to trail you last night, baby, in my car,
But I was scared I might see what I was looking for.
Little by little, I'm losing you. That I can see.
Bit by bit, your love slips away from me.

Ohhh, ohhh, oh.
Ohhh, ohhh, oh.
