Junkie XL, Mad Pursuit

run don't break aiming for the heart doll headache this is just the start of a mad pursuit

chasing down the telephone wire racing down the road you can't lose her

try to skip town (she'll find you) track you like a hound (behind you) recklessly in pursuit of you

catch you on the fly (you're easy) she knows you're her guy (so safely) recklessly in pursuit of you

closing in see her in the mirror here it goes again the object's closer than it appears to be

but a crash of your getaway car drive like that and you won't get too far

try to skip town (she'll find you) track you like a hound (behind you) recklessly in pursuit of you

catch you on the fly (you're easy) she knows you're her guy (so safely) recklessly in pursuit of you

crash and burn this will be your thing hold you tight you just lost control of a mad pursuit

chasing down the telephone wire racing down the road you can't lose her

try to skip town (she'll find you) track you like a hound (behind you) recklessly in pursuit of you

catch you on the fly (you're easy) she knows you're her guy (so safely) recklessly in pursuit of you
