

Junkies, Revelation Mary

Take me down to the bed of the river
Blood trivia, suicide thinker
Hands tied, they're tightly voven
Spirit rythm I'm pure and chosen I want
you
I hunger for your loving hands
I thirst for the cradle of legato chants
Reverse the sides of the common man
Direct your hate like the Son of Sam
Await your fate it's all in your hands
Centerfolds of oozies aren't they so grand
I am Something, I am Nothing
Timeless and Broken, Unsung and Chosen
Preaching - Teaching - Searching - Feasting
For the profound feeling, Revelation Mary
Bleed the fears - Bathe in your tears
Blasphemous excess - with/Absolutely no regrets
I slept in the ashes of, the ashes of eden
Celebrated badges of, unnatural yearnings
I call on to you -, I call on to you, - I call on to you
It's Revelations Mary
Preaching - Teaching - Searching - Feasting - For the profound
Feeling, Revelation Mary
I call on to you, I call on to you, I call on to you
