Yo, whether you love to hate it, if it's in or outdated If I've been overrated or maybe your most favorite You expect me still to write my verse on time And I expect you not to front when you hear my rhyme Don't expect me to smile cause it's in good taste I know cats that's no mistake smiling in my face And don't expect to try and guess if I'm mad or not Or if I'm cold or hot, you would know if not And don't expect me to come and just bite my tongue It's kind of hard to forget what some brothers have done But my mother always said you forgive and forget And expect that most promises won't be kept I guess I gave credit where it wasn't deserved Some brothers must have preferred not to keep their word The bigger the burden, the bigger the uncertain No explanation for my creation, great expectation
