

# Just Jinger, No Friend

I was lonely, very lonely  
Now I'm finding it okay  
I know it's early, but I've been thinking  
About the time when we first met

You made my life a living misery

YOU'RE NO FRIEND OF MINE  
FRIEND OF MINE AT ALL

You were moaning, forever moaning  
About the toothpaste with no cap  
Said I was sorry, not to worry  
I would try my best to change

Life to me was only misery

YOU'RE NO FRIEND OF MINE  
FRIEND OF MINE AT ALL

You were wrong from the beginning  
But I only found out late  
I should have used my thinking head  
Life to me was only misery

So when it finished  
Thank God it finished  
I thought a dream  
Had become true  
You were packing  
I was helping  
I hope you don't  
Think I was rude

Life without you  
Was only misery  
Now I'm feeling fine again
