

# Justice Vs. Simian, Never Be Alone

poor old forgotten fool  
do you have to do what you do  
i agree that it hurts no one but you  
but don't you think it gets us down?  
to see your long sad frown  
we truly believe you'd be better off with us  
so come...  
come to the land where anything belongs  
no one else will let you know the truth

because we are your friends  
you'll never be alone again  
well come on, well come on  
well come on, well come on  
because we are your friends  
you'll never be alone again  
well come on, well come on  
well come on, well come on

take your time to decide  
and keep it far from your eyes  
too many have failed to get this far  
but don't let it get you down  
we're doing all we can  
we truly believe you're lovely when you're here

because we are your friends  
you'll never be alone again  
well come on, well come on  
well come on, well come on  
because we are your friends  
you'll never be alone again  
well come on, well come on  
well come on, well come on
